

## **Lomond School Means Tested Scholarships 2023-24**

### **General Information**

Following the success of the scholarship programme launched on the back of the school's 40th Anniversary Celebrations we are now welcoming scholarship applications August 2024 entry for day and boarding pupils from Tranistus I (Primary 6) to Senior 6.

It is our wish to offer the unique Lomond School experience to those young people who may not ordinarily have the means or opportunity to access it, and a range of scholarships will be awarded for the duration of full-time education.

Scholarships are categorised as follows:

- Academic Excellence
- Music
- The Creative Arts
- Sport
- The David Arthur All-Rounder Scholarship

The awarding of scholarships is dependent on entry criteria and all scholarships will be means-tested. A reduction of up to 50% of tuition / school fees may be available depending on individual circumstances.

It is expected that all scholarship pupils will be positive role models within the school community and will make a significant contribution to the wider life of the school.

Also available are a generous number of means-tested bursaries which can offer a significant reduction in fees. Please note that bursary applicants are not required to meet the scholarship criteria.

### **Deadline for applications**

For those looking for August 2024 entry, the application pack should be completed and submitted for consideration before close of business on Friday, 22 December 2023.

Following submission of applications, Scholarship applicants and their parents/guardians will then be invited to tour the school and meet with the Principal and relevant teaching staff before undertaking interviews, testing and auditions (as appropriate) which will be held in November and May respectively.

Particular details of the requirements for the range of scholarships available can be found in the enclosed additional documentation.
